Dear Council:

At the January 22, 2018 meeting of the Stratford Board of Park Management, the board voted to support the declaration of land known as 48 Water Street as surplus to the city's needs with the following conditions:

1. The current greenscape is expanded
2. Gardens will remain open to the public
3. Adequate public parking will be available to access the park system
4. The Board of Park Management shall have input on the landscape plan for the site.
5. If the Festival is ever in a position to dispose of this property, the City shall take back ownership as park land

Yours truly,
