The Stratford Police Service would like to thank Graphic Design by Xenium Information and Technology Corporation.

JOHN BATES Chief of Police

Chair and Members of the Stratford Police Services Board:

It is my pleasure to report to the Board on some of the recent undertakings, challenges and successes enjoyed by the men and women of the Stratford Police Service. The Service continues to pride itself on being open, transparent and accountable to the community it serves. By means of this Annual Report, our community is able to gain a perspective into the many ways in which we serve the public each and every day. One of the cornerstones of our police service was, and continues to be, the forging of our strong relationships with our community members and various partner organizations. This report highlights the manner and degree to which our members engage with the community so as to maintain and enhance public safety through professional and compassionate service delivery.

From a financial point of view, we have been successful in living within our means; however, our challenge will continue to be balancing responsible fiscal management with the varying and diverse demands for service our community has come to expect, enjoy and afford.

It is with particular pleasure that I am pleased to report that our annual statistics related to violent crimes, such as assaults and robberies, continue to reside below the national and provincial averages. This past year our non-violent property crimes also trended below the provincial and national numbers. This speaks well not only to the levels of protection provided by our Service but also to the degree in which our citizens and visitors adopt personal and practical crime prevention measures.

Our police service continues to make strong advances in the exploitation of new and emerging information technologies. As our community continues to grow and embraces the latest I.T. and digital media advances, so shall we.

The Stratford Police Service continually looks to improve upon its service delivery mechanisms and build upon the very positive relationships it enjoys with the community. Our police service, as do many others across the country, faces some very interesting and potentially complex issues. Currently, one of our most daunting challenges is the increasing necessity, because of our unique role in society, to engage with individuals who are struggling with mental illness. Unfortunately, and in ever-increasing frequency, this complex public health issue becomes a public safety matter requiring police intervention and resources. We as a Service continue to look for adoptable strategies to resolve such matters as effectively and peaceably as possible.

I would like to take this opportunity to publicly acknowledge my sincere appreciation to the Stratford Police Services Board for its continued support and guidance during our recent leadership transition and reorganization process. My sincerest gratitude

also goes out to the members of Stratford City Council for their unwavering support and expressions of confidence in the members of our police service. I am also grateful for the ongoing support and dedication demonstrated this past year by Deputy Chief Michael Bellai, Inspector Sam Theocharis, our Resource Coordinator, Sandra Hutchison and of course our Administrative Assistant, June Wilson-Junner.

Finally, as the Chief of Police, I remain exceptionally proud of all the members of the Stratford Police Service. Our members continue to be our Service's greatest asset and I look forward to seeking opportunities to facilitate their growth and development through the adaptation of new and varied training opportunities and venues. It is indeed a privilege and an honour for me to lead a team that, each and every day, exemplifies professionalism and delivers excellent policing to our community. Through both their internal and external community collaborations, our members help to ensure that Stratford remains "the safest place to be!"

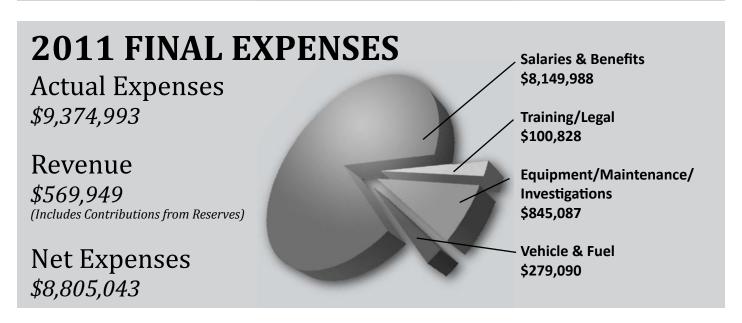

John Bates

STRATFORD POLICE ORGANIZATIONAL CHART

STRATFORD POLICE WELCOMES OUR 16TH CHIEF OF POLICE

JOHN T.W. BATES

On March 1, 2012, John T.W. Bates became the 16th Chief of the Stratford Police Service. Chief Bates began his policing career with the Brantford Police Service in 1985 where he ascended to the rank of Inspector. In 2006, the Stratford Police Services Board appointed then Inspector Bates as Stratford's Deputy Chief.

A Change of Command Ceremony was held on April 3, 2012 at the Stratford City Hall Auditorium. Inspector Michael Bellai was the Master of Ceremonies for the event which included an Honour Guard, Police Piper and remarks from guests and dignitaries. Hamilton Police Superintendent Dan Kinsella delivered greetings on behalf the New York & Eastern Canada Chapter of the FBI National Academy Associates; an organization of which Chief Bates is a proud member. The 'Administration of Oath' was officiated by Her Honour Justice Katie McKerlie and Stratford Mayor Dan Mathieson. A highlight of the ceremony was the symbolic exchange of command by means of the 'Ceremonial Sword.' Outgoing Chief Gerald McEwin relinquished command of the Service by passing the ceremonial sword to the Board Chair, Mayor Mathieson - representing the civilian governing authority over the police service - who then transferred command of the Stratford Police Service to Chief Bates.

During his remarks to those in attendance, which included family, friends, co-workers and former colleagues, Chief Bates acknowledged and thanked the many individuals who had offered him guidance, afforded him exceptional opportunities

for professional development and supported him during his career.

Chief Bates, long a proponent of continuing education, expressed his earnest desire, through an open door policy, to work collaboratively with the community, policing partners and Service members to "deliver an even more robust police service" in Stratford.

Chief John Bates with retired Chief Gerald McEwin

Chief John Bates, his wife Sandy and their children

RETIREMENT - INSPECTOR DENNIS JACKSON

APRIL 17, 1973 - AUGUST 31, 2010

Inspector Dennis Jackson served the citizens of Stratford as one of its police officers for over 37 dedicated years.

Inspector Jackson joined the Stratford Police Service on April 17, 1973. In May 1, 1988 he was promoted to the rank of Sergeant presiding over a platoon and in 1992 working in the Criminal Investigations Branch. On April 1, 1993 he was again promoted, this time to the rank of Inspector. During Inspector Jackson's 37 year career with the Stratford Police Service, he fulfilled the roles of;

- Traffic Officer
- Training Officer
- Breathalyzer Technician
- "Special Weapons Unit" Officer
- Acting Sergeant
- Sergeant
- Inspector
- President of the Senior Officer's Association

Inspector Jackson successfully completed a multitude of training courses over his career. Some of which are noted below;

- Recruit training at the Ontario Police College
- The Breathalyzer Course
- Advanced Training
- Several Management Training Courses including the Senior Police Administration Course and Executive Development course at the Canadian Police College
- Incident Commanders Course

Inspector Jackson was a well-respected member of our Service

and throughout his career he achieved the confidence of both the Administration and his peers. Shortly after becoming an Inspector in 1993 he was responsible for overseeing two murder investigations within one month. In 1994 his division investigated a massive sexual offences case spanning over many years and affected so many youth and their families in our community. He was an extremely dedicated police officer and worked very hard in the furtherance of the service as a whole.

Inspector Jackson's personnel file is chalked full of many letters of thanks and commendations that were penned by both supervisors and citizens alike. A common theme of those letters speaks highly of his professionalism and his integrity.

Inspector Jackson's departure from the Service left one of those 'hard to fill' voids in our organization. It was, however, a retirement that was both well-deserved and well earned. We wish Dennis, his wife Jean and their family all the best for a long and prosperous future.

Inspector Dennis Jackson pictured in front of satellite police station during the weekend long Ovation Concert in 2005

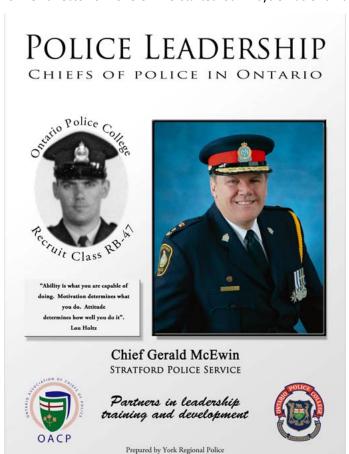

RETIREMENT – CHIEF GERALD W. MCEWIN

JANUARY 1, 1968 – FEBRUARY 29, 2012

A lifelong resident of Stratford Gerald McEwin began his career with the Stratford Police Service as a constable on January 1, 1968. He was promoted to a Platoon Sergeant on October 1, 1986 and then to the rank of Inspector on January 20, 1990. On June 1, 1992 he was promoted to Deputy Chief and after the retirement of Chief Lewis Lawson, Gerald McEwin was promoted, becoming our 15th Chief of Police, on October 1, 1996. After an incredible 44 years of policing with Stratford he retired on February 29, 2012.

Chief Gerald McEwin was the first member of the Stratford Police Service to be invested as a member of the "Order of Merit of the Police Forces" He attended a ceremony presided over by Governor General Michaelle Jean at Rideau Hall in Ottawa. The Order was created in October of 2000 to recognize "conspicuous merit and exceptional service" by members and employees of Canadian Police Forces.

Throughout Chief McEwin's career he sat on a variety of committees, including the Perth County Task Force on Crystal Methamphetamine and the City's Sub-Committee for the Protection of People and property. He was an active member of the Ontario Association of Chiefs of Police including being a former director of Zone 5. He started our Bicycle Patrol unit

Deputy Bates and Chief McEwin

in the late 1990's as part of the Community Policing initiative which has been very successful to this day!

Chief McEwin had an open door policy and would always make time to listen to anyone with an idea or complaint. He was very proud of his police service consisting of 57 Sworn Officers and 21 Civilians including two part-time Communicators. He was not only respected by his staff but also by the relationships he had developed over time with other police departments. One such example of this was when he asked for back-up in 2006 at the opening day of the Festival Theatre which was threatened by possible violent protesters. Police teams responded from Toronto, Hamilton, London and Waterloo Regional. A close bond has been maintained with the police services we share computer systems with, and they are Waterloo Regional, Guelph and Brantford. Without this close working relationship we would not be able to keep up with the technology of today financially. Chief McEwin has witnessed policing going from daily pen and paper reports to full computerization.

Community involvement has also been large part of Chief McEwin's personal life. He has been a Rotarian for over 17 years and sat on the local Boards for St. John Ambulance and the Stratford Cullitons Junior B Hockey Team.

We wish Chief Gerald McEwin along with his wife Carol and family all the best in his retirement. He loves the East Coast and travelling almost as much as being involved with his family and four grandchildren.

MIKE BELLAI

Deputy Chief

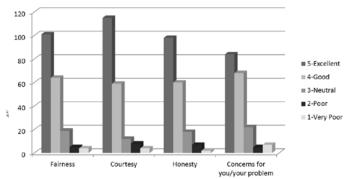

During the 2010-12 time periods the Stratford Police Service has continued to provide the community of Stratford with a high quality police service. The men and women of Stratford Police Service are dedicated to their community and abide by to our mission statement "To Serve and Protect in Partnership with our Community". In doing so while performing their daily duties The Stratford Police Service's vision to continually make the City of Stratford "The Safest Place to be" is ensured.

Training

The men and women of the Stratford Police Service continually attend and receive the most up to date training internally through annual use of force training and through the Ontario and Canadian Police Colleges. The Stratford Police Service is committed to providing the most current available training to our officers to ensure they are providing the best service to the citizens of Stratford. The Service introduced our first Canine Unit in 2012 and welcomed our first Police Service Dog "Baron" who is assigned to Canine Handler Constable Matt Peck.

Satisfaction

In keeping with dedicated service to our community the Stratford Police Service conducted a community input survey in 2012. The results of the survey and the overall perception of the Stratford Police Service were excellent in the categories of fairness, courtesy, honesty and concerns for you/your problem.

The overall satisfaction with The Stratford Police Service was 46% very satisfied, 44% satisfied, 8% somewhat satisfied and 2% unsatisfied.

Technology

The Stratford Police service continues to make strides towards increasing our effectiveness through new technological initiatives. Our relationship with the Police Regionalized Information and Data Entry (P.R.I.D.E.) shared with Waterloo Regional Police, Guelph Police and Brantford Police Services allows us to stay current with our NICHE and Records Management Systems. In the future the Stratford Police Service will be implementing

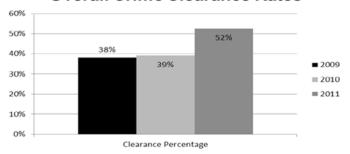

Electronic Crown Briefs, Electronic Ticketing and Electronic MVC reports.

Crime Clearance

The men and women of the Stratford Police Service in Uniform Patrol and Investigation Units work diligently to ensure crimes are solved and victims of crime are satisfied with the services response to criminal matters. The Stratford Police Service has continued to dedicate themselves to solving criminal matters, the rate of crime clearance has continued to climb over the past years.

Overall Crime Clearance Rates

Future

The Stratford Police Service continues to strive towards providing the citizens of Stratford a high quality police service by enhancing officer training and internal efficiencies through technology to allow service members to provide essential core police services to the community.

I am proud to be a part of the administrative team of the Stratford Police Service and privileged to lead the fine, dedicated men and women of the Stratford Police Service who selflessly serve the community of Stratford bravely with honesty, integrity and courtesy.

SANDRA HUTCHISON

Resource Coordinator

RECORDS MANAGEMENT

In November of 2010 our Xerox machines were connected to our internal network for scanning documents to our employee's e-mail accounts. In November 2011, we began scanning documents such as statements and motor vehicle accident reports directly to our records management system, soon followed by officers' notebook entries. This process keeps documents filed under the occurrence report, and is also the first step in creating e-brief's for the Crown's Office.

Our legacy (PRC) Records Management System was terminated on February 4th, 2010 after the required files were transferred into our current (Niche) RMS. Now, we can query new and old records through one RMS program, saving time and making it easier to train new employees.

RECORDS CHECKS

Over the past three years the records check process has increased in complexity. We now offer three types of records checks:

- 1. Criminal Record Check (criminal convictions only)
- 2. Police Records Check (negative contacts and criminal convictions)
- 3. Police Records Check plus a Vulnerable Sector Check (for Stratford Residents who want to volunteer or be employed by agencies responsible for the well-being of vulnerable persons)

The Vulnerable Sector Check is an exclusive search into the database of Pardoned Persons. If a person in the database matches the sex and date of birth of the applicant, they must submit fingerprints to positively identify themselves. In 2011, training on processing records checks was provided provincewide to maintain consistency amongst Police Services. In the last quarter of 2011 an electronic fingerprint process was introduced; cutting the response time by the R.C.M.P. to hours rather than months. In 2012, all civilian fingerprints were processed electronically for employment, adoption and immigration purposes. Also in 2012, a representative from the Perth County OPP and I were invited by the Volunteers in Perth organization to speak about the new records check process.

N.E.N.A. (National Emergency Number Association 9-1-1)

The 9-1-1 infrastructure is changing in Canada to an I.P. network. The I.P. network will be the base for NG9-1-1 (Next Generation 9-1-1). Part of the first phase is T9-1-1 (Text with 9-1-1) for registered users who are hearing/speech impaired. The second part is "In Call Location Update", our communicators will be able to retrieve an updated location of a cellular

caller by the push of a button.

Our communicators in the past three years have answered over 4,500 non-emergent "9-1-1" calls. The majority of these non-emergent calls are from cellular phones with unlocked keypads. This number is disconcerting because it wastes time and resources trying to locate the caller.

TECHNOLOGY

Our technology section is continuously changing, only a few of the projects are outlined in this section.

In order to give our Communicators, sergeants and front line officers access to the internet and not compromise their computers we installed a server with the program Citrix which shows up as a link on their desktops in 2011.

As of 2012 all of our staff use dual authentication to access the sensitive information on our computers by using smart cards and passwords. We installed temperature probes in both of our server rooms which will alarm in dispatch when the temperature rises above 24 degrees Celsius. To help alleviate the heat in our server rooms we have purchased virtual servers that can house up to eight servers. As of November in 2012 we installed a B.E.S. (Blackberry Enterprise Server) on one of our virtual servers to accommodate officers issued Blackberry phones. Our lines between us and Waterloo Regional Police were upgraded to fibre and we moved from a private data network for our mobile workstations in the cruisers to Bell's 3G network. The 3G network will allow us to update our mobile workstations automatically.

I would like to thank Jeremy, the extra support from Xenium and the I.T. section at Waterloo Regional Police Service.

I would also like to thank all of our staff for their patience and understanding when it comes to complicated technical issues where nothing is as easy as it seems.

ONTARIO POLICE COLLEGE / CANADIAN POLICE COLLEGE 2010 Training Schedule

Date	Officer	Course
Jan 4 & 5/10	Foster	Use of Force Trainer Skills Development Course Level 1

In 2010, the Stratford Police Services Board published its current and provincially legislated Business Plan. As we close the 2010-2012 business cycle, here is a brief summary of the efforts of both the Board and the Police Service toward meeting the goals and objectives outlined in the 2010 - 2012 Business Plan.

COMMUNITY SATISFACTION

Goal: Enhance community satisfaction with the performance and competency of the Stratford Police Service and linking the Services' goals & objectives to those identified in external scan.

Objectives	Measurements	Performed/ Completed	Incomplete	Ongoing
ongoing participation and interaction with community organization and stakeholders	synthesizing of the community and the Service goals & objectives	√		✓
information sharing with Stratford City Council	semi-annual Board/Service presentations to City Council		\checkmark	
	sharing of annual reports and business plan	\checkmark		✓
survey internal and external stakehold- ers during the life of this document	accomplishment of conducting surveys	✓		✓

Goal: Ensure that the quality of service delivered to our community is first-rate by operating in an open, transparent and accountable manner.

Objectives	Measurements	Performed/ Completed	Incomplete	Ongoing
monitor the complaints against police	monthly updates received from Senior Staff on complaints	✓		✓
maintain consistent and open com- munication with our community in an effort to enhance public understanding	publication of upcoming Stratford Police Services Board meetings in the Civic News columns of local newspapers	✓		✓
of the challenges and performance of the Service	semi-annual Board/Service presentations to City Council		✓	
continue to develop and maintain positive reporting relationships with all local media outlets	regular communication with local media outlets to seek their input regarding the Services policy development	✓		✓

COMMUNITY BASED CRIME PREVENTION

Goal: Develop initiatives that will increase the Stratford Police Service's involvement with citizens, community groups, social agencies and neighbourhood organizations in the development of crime prevention strategies and solutions.

Objectives	Measurements	Performed/ Completed	Incomplete	Ongoing
continued Stratford Police Service interaction with the community	record the number of events/hours committed to community interaction	✓		✓
problem-solve issues through continued partnerships with social agencies and	record the number of meetings/hours committed to multi-group partnerships	\checkmark		✓
the community following the new Community Policing Model	liaise with local media	\checkmark		\checkmark
community notification of specific crime issues and preventative measures	record the number of community notifications regarding specific crime issues and deterrence methods	✓		✓

EMERGENCY CALLS FOR SERVICE

Goal: To manage emergency calls for service in a timely, effective and efficient manner.

Objectives	Measurements	Performed/ Completed	Incomplete	Ongoing
maintain a highly skilled and well- equipped Emergency Response Unit	new members of the unit receive provincially mandated training	✓		✓
ensure the Service has an adequate number of trained crisis negotiators	monthly training regime is followed and monitor the number of training hours utilized	\checkmark		✓
ensure the Service has trained personnel	all members of the unit have state-of-the-art personal equipment	✓		✓
to support the activities of emergency responders and negotiators	participation in inter-agency training	\checkmark		\checkmark
ensure that members performing the dispatch/communicator function possess the core competencies	providing any necessary training for communicators to ensure they have the necessary knowledge, skills, and abilities	✓		✓
	increase in the number of staff members as required	✓		
participate in multi-agency training exercises with other Stratford and area emergency service providers	track the number of multi-agency training exercises in which service members participate	✓		✓
on-going development of an anti- terrorism policy and protocol that is reflective of the Service's needs and responsibilities	the development of a General Order and a conjunctive protocol to deal with anti-terrorism			✓

COMMUNITY PATROL STRATEGY

Goal: Continue to strive toward creating a safer community by providing a more visible uniform police presence and by ensuring our general and directed patrols are both effective and efficient.

Objectives	Measurements	Performed/ Completed	Incomplete	Ongoing
review and if necessary adjust our deployment strategy to provide a more visible and responsive police service while maintaining officer safety	continue to monitor the growth of the city and identify potential pressure points determination of adjustments that are required	√		✓
	conduct a review of current uniform deployment	\checkmark		\checkmark
	determination of adjustments that are required	✓		✓
ensure that general and directed patrols are reflective of community input and	ongoing communication to general patrols of pertinent community concerns	✓		✓
identified issues develop directed patrol initiatives that	monitor responses to specific community concerns that were addressed via directed patrol	✓		✓
are responsive to community needs while falling within our core policing obligations	monitor the levels of impaired driving and drug enforcement conducted by uniform patrol members	✓		\checkmark
	monitor enforcement statistics	✓		✓

CRIMINAL INVESTIGATION SERVICES

Goal: Continually promote and ensure excellence in criminal investigation services.

Objectives	Measurements	Performed/ Completed	Incomplete	Ongoing
consistently strive to produce the highest quality cases for presentation in	all investigations are reviewed by qualified supervisors for quality control	✓		✓
court	feedback for improvement sought by the Crown Attorney	✓		✓
ensure a high standard of criminal investigations by accessing quality training	newly appointed members to CID and its related units have or receive the necessary core competency training within 12 months or as soon as practicable	✓		✓
	members of investigative units are af- forded relevant professional development training opportunities	✓		✓
ensure that human resources within CID and its related units are adequate and	case loads of members within investigative units are monitored and assessed	\checkmark		\checkmark
optimally deployed	vacancies within CID and related units are filled as soon as practicable	✓		✓

ILLICIT DRUG INVESTIGATIONS

Goal: To continue with our ongoing drug enforcement activities while participating collaboratively with our community partners and other law enforcement agencies to educate the public and find solutions to this serious threat to our community.

Objectives	Measurements	Performed/ Completed	Incomplete	Ongoing
proactively undertake illicit drug investigations	monitor the number of unilateral and multi-agency drug investigations	✓		✓
	keep and assess drug enforcement statistics	\checkmark		\checkmark
	participation in marijuana eradication projects	✓		✓
participate in community task forces and educational programs	continued participation in the "Methamphetamine Task Force"	✓		✓
	continued communication and partnerships with other community agencies	✓		✓
focus on youth deterrence	continue to offer drug education programs at our local schools	✓		✓
	monitor activities of Community Services Officer and Youth Officer via monthly reports	✓		✓

VIOLENT CRIME

Goal: To continue working toward our Vision of Success – To make Stratford the "Safest Place to Be."

		Performed/		
Objectives	Measurements	Completed	Incomplete	Ongoing
work to ensure that Stratford's violent crime statistics are below the provincial	monitor violent crime statistics on a monthly basis	✓		✓
and national averages	respond to any negative trends that the Service can influence			✓

Objectives	Measurements	Performed/ Completed	Incomplete	Ongoing
participate in community task forces and educational programs	continued liaison with Children's Aid Society	✓		✓
	continued liaison between Domestic Violence Coordinator and community partners	\checkmark		\checkmark
	continued liaison with courts	\checkmark		\checkmark
	continue with School Resource Officer program	✓		✓
ongoing training for members regarding violent crime investigation and deterrence	service members who investigate violent crime occurrences have the necessary knowledge, skills and abilities	✓		✓
	ongoing Domestic Violence Training	✓		\checkmark
	continued interaction with Victim Services of Perth County	✓		✓
	continued liaison with the Victim/Witness Assistance Program	✓		\checkmark
	on-going communication with community partners and service providers	✓		\checkmark

PROPERTY CRIME

Goal: To develop internal and external programs and measures to address property crime issues.

Objective	Measurements	Performed/ Completed	Incomplete	Ongoing
collaboratively facilitate a decrease in	comparison of local property crime rates to those	Completeu	meompiete	ongoing /
property crime rates	of provincial and national statistics	✓		✓
increase clearance rates of property crime	review statistical information regarding crimes and clearance rates	\checkmark		✓
provide the community with Crime Prevention tips through the media and	monitor the number of public information notices issued along with public meeting attended by the			
public to reduce property crime	Community Relations officer and Media Relations officer	\checkmark		\checkmark

ROAD SAFETY

Goal: Maintain a commitment to road safety through enforcement and education.

Objective	Measurements	Performed/ Completed	Incomplete	Ongoing
increase traffic enforcement/collision data	acquisition and use of new data collection software	√		✓
seek to maintain, if not increase, RIDE program funding	through effective reporting and tracking, request current funding levels be maintained or increased	✓		✓
	RIDE funding	✓		✓
maintain involvement with Provincial and Regional Traffic Safety initiatives	monitor participation of Stratford Police Service and its partner agencies in traffic safety programs	✓		✓

		Performed/		
Objective	Measurements	Completed	Incomplete	Ongoing
reinforce bicycle safety	enforcement of city by-laws regarding bicycle usage	✓		✓
	youth education	✓		✓

YOUTH CRIME

Goal: To be an active partner in providing educational opportunities and on-going support programs to assist young people in making positive lifestyle choices.

Objective	Measurements	Performed/ Completed	Incomplete	Ongoing
deliver and participate in educational programs targeting young people	continue to offer drug awareness programs at our local schools			
	monitor activities of Community Services Officer and Youth Officer via monthly reports	✓		\checkmark
ongoing training for members regard- ing youth crime investigation and deterrence	monitor investigations and reports of members investigating youth related crimes	√		✓
liaise with community partners involved with young people	monitor the participation of Service members with our community partners to address youth crime	✓		✓
engage in directed patrol activities related to crime involving youth	monitoring responses to crimes and related issues involving young people	✓		✓
