There are rules about the size of unit (number of bedrooms) that you can move into if your rent is subsidized. The largest unit size allows one bedroom per person (subject to custody); couples are expected to share.

Please note occupancy standards do not apply to accessible units.

You may choose a smaller unit than you qualify for but not a larger one. Please check the unit sizes you would like to be considered for.

From time to time, units become available in buildings owned by private landlords who have entered into Rent Supplement Agreements with the City of Stratford Service Manager. These units are subsidized by the City of Stratford Service Manager under the Rent Supplement Program. Under this arrangement, applicants would sign a standard Ontario lease with the private landlord and a separate Rent Supplement Agreement with the City of Stratford Service Manager for the subsidy.

## Non-Profit and Co-Operative Housing

Some housing providers are listed as Co-operative (Co-op) housing providers. These are clearly noted in the Building Choices section. People who live in Co-ops are not tenants; they are members of a Co-op.

Members contribute their time to the management and day-to-day operation of the Co-op by volunteering with various members committees.

In order to live in a Co-op, you must first be approved for the membership by the Co-op. Anyone can apply for membership. You may be asked to attend an information session/interview before being considered for membership.

For more information about Co-operative Housing, you can contact any of the Co-operative Housing providers listed in the Building Choices section following or visit [www.chfc.ca](http://www.chfc.ca)
